## What we do

- Commercials
- Photography
- Viral videos
- Documentary making

The creative collaboration of Martin and Stephen was founded by a combined passion for strong, bold, well made and well told stories and images. From their respected fields this unique partnership offers a comprehensive cross over of methods, understanding and professional networks. It is this strong team foundation that makes mustard-berlin a focused and imaginative production company for your film, television, photographic and Internet requirements.

mustard-berlin's expertise means we can encompass the complete process from concept, script writing, story boarding, production, shooting the film or digital material, editing and post production.
